

# Cord End Twin Wire Terminals

## Features:

- Max. voltage rating: 600V.
- Flared barrel for easy wire insertion.

## Technical Information

Material **Conductor: Brass | Insulation: Nylon Plating: Tin**

Operating Temperature **-40°C to +105°C.**

### Material

- ① Copper
- ② Tin
- ③ Nylon

Item No.	Colour	Wire Range (mm <sup>2</sup> )	Dimensions (mm)					
			d1	W	L	F	S	S
