# Fork Terminals

REACH COMPLIANT | RoHS COMPLIANT

Product features:
- Flared barrel for easy wire insertion.
- Low insertion force and easy crimping whilst ensuring secure termination.

Technical Information	
Operating Temperature	-10°C to +75°C
Material	**Conductor:** Copper | **Insulation:** Vinyl | **Plating:** Tin
Voltage rating:	600V

Material
1. Brass
2. Tin
3. Vinyl
